# Val d'Isère Advanced Shoulder Course

Live Multiplex

---

**INDIAN MULTIPLEX**

---

**14<sup>th</sup> - 16<sup>th</sup> APRIL, 2022**

**JW Marriott, Pune**

It is an absolute delight to host the famous Val d'Isère Advanced Master Course on Shoulder Surgery in Pune. Yes that's right the 12<sup>th</sup> edition of this prestigious course will take place from 14-16 April 2022 at JW Marriott, Pune. So we will get to hear the best shoulder surgeons in the world, sitting comfortably in Pune, albeit minus the snow and skiing.

This is an innovative concept that was floated by Philippe Collin & Alexander Läderman and I seized this opportunity. The hybrid conference allows us to conduct our local OFFLINE programme from 08:30 am - 12 noon and then join the main ONLINE programme relayed from France between 12 noon-4 pm. This is a perfect blend of advanced international shoulder science combined imperceptibly with the local flavour. Delegates have the best advantage of a win-win situation to savour Indian and international lectures and debates. The majority of talks are largely case based scenarios rather than the repetitive didactic grind. I assure you that a conference of this level will not be witnessed in times to come. The entire conference is systematically divided over three days.

## DAY 1

Thursday 14<sup>th</sup> April 2022  
Instability day

## DAY 2

Friday 15<sup>th</sup> April 2022  
Rotator cuff day

## DAY 3

Saturday 16<sup>th</sup> April 2022  
Arthroplasty day

We are inviting you to be a privileged audience to share space with doyens such as Pascal Boileau, Alexander Laderman, George Athwal, Bassam El Hassan, Markus Scheibel and many more. This is in addition to a finely curated Indian faculty. We are presenting to you the most advanced shoulder programme that has ever been conducted on this land. Due to the delay in facilitating all this, largely due to the pandemic, we have given you a rather short notice. Rest assured that we will be taking the most diligent precautions regarding COVID-19 care.

Am looking forward to meeting all of you in person; come lets have a blast.
