Invitation

With immense pride and honour, we extend this invitation to you all for the ASAMICON 2022, the National conference of ASAMI India. As the venue, we have chosen the City of Pune, the Queen of the Deccan and the Cultural Capital of Maharashtra, We consider its easy accessibility and connectivity for the comfort of our guests and delegates so that it can transpire to maximum participation.

With the rapid strides in the field happening in this field, it is germane for Orthopaedic surgeons to keep themselves up to date. To cater for this, we have curated a three-day academic extravaganza headlined as "INNOVATIONS AND RECENT ADVANCES" which we hope can satiate the appetite of even the most gluttonous academicians among us.

Just like the previous editions of the conference, we will be blessed to have many living legends and mavericks in Orthopaedics who will share pearls from their past experiences and engage in discussions with you and ignite your minds to help you walk towards greatness in the field.

We are hoping to provide you with the best platform to help you take a few steps in your journey in the Ilizarov methodology and we welcome you all for ASAMICON-2022, Pune, Maharashtra.
