

4th Pune Arthroplasty Course

PAC 2024

JW Marriott Pune

*Everything In Arthroplasty
From Basics To Robotics*

Pre Conference
Cadaveric Workshop
30th May, 2024

Conference :
31st May, 1st & 2nd June 2024

WELCOME MESSAGE

Dear Friends & Colleagues,

One of the areas of orthopaedics with the highest growth is Arthroplasty. Results are improving every year as more advanced implants and precise instrumentation like robots have become available. However, as treating surgeons, we must provide patients with excellent performing implants & techniques to meet their rising aspirations after total joint replacement.

We will thoroughly explain and show updated implants and procedures in hip, knee & shoulder to enhance the results of joint replacement surgeries during this three-day intensive seminar.

In order to make the lectures more interesting and participatory, whenever feasible, video demonstration will be used.

Friends, we are delighted to extend this invitation to you all for the Pune Arthroplasty training. We are convinced that the Pune Arthroplasty Course would complement the previous PAC workshops & the ongoing annual events that have distinguished Pune as a centre of excellence for orthopaedic education.

Warm Regards,

Dr. Neeraj Adkar

Hands on CADAVERIC WORKSHOP

30th May, 2024

*Unique opportunity for Robotics enthusiasts
for getting Hands on Experience !!*

HANDS ON CADAVERIC WORKSHOP
USING ROBOTIC SYSTEM FOR JOINT REPLACEMENT
WITH DIDACTIC LECTURES AND VIDEO SESSIONS

Date: Thursday, 30th May 2024

Key Points

- Fresh Human Cadavers
- Only 10 candidates per cadaver - plenty of hands-on experience
- Dedicated Faculty per Cadaveric table
- Hands-on experience on cadavers using the **CUVIS robotic system which is a fully automatic system for joint replacement**

Limited Seats only 50 Delegates on first come basis !!

Fees: Rs. 15,000 + 18% GST

PAC REGISTRATION IS MANDATORY FOR REGISTERING FOR CADAVERIC WORKSHOP

Key Note Address - Periprosthetic Joint \ Infection by Dr Javad Parvizi

Key note address - Uncemented TKR by Dr Ashok Rajgopal

6 Live Surgeries

Cadaveric workshop with Hands on experience using Fully Automatic Robotic Knee joint Replacement System

Wide range of topics covering everything from Basic to Robotics for all joints.
