

Case of the Month Trauma

Dr Shivkumar Santpure
Ch.Sambhajinagar.

2009 Custom made tumour prosthesis was done for
Chondrosarcoma of proximal femur in a 60 year old male.
Uma surgical made this custom made implant.

In 2023, 14 yrs later he came with the broken implant

2023 We revised him to a better mega prosthesis by Adler which available by that time

2026 !Unfortunately he met with
an accident

Final Outcome
